Wedding Ceremony Site Hire 2020

The 2020 rates for the hire of our lavender shed are provided below. The rate includes hire of the shed for up to 4 hours. This rate does not permit the erection of any temporary structures such as marquees or tipis although we can quote for this.

£500 for up to 150 guests

As these prices are for rental of our shed then no additional VAT is payable. Please ask for a quote for over 150 guests. Additional hire hours may be purchased when available.

If you'd like to also have your wedding reception here then the ceremony is only £250 extra (usual hire price £500) when booked together with a reception.

We can provide you assistance with any additional requirements using our extensive wedding supplier lists.

A non-refundable deposit of £150 is required to make any ceremony-only booking.
